

## **Join Team Turner – Apply to be one of our Free School’s Founding Teachers!**

**Are you passionate about delivering a knowledge-rich curriculum?**

**Are you a specialist in Maths?**

**Are you committed to an inclusive academic approach to learning?**

The Turner Free School is looking for an exceptional Maths teacher to join our exciting new secondary Free School, which is opening in Folkestone in September 2018 to Year 7 students. Our goal is to set a new standard in non-selective education through offering a rigorous knowledge-based curriculum, which will equip our students with cultural capital and enable them to thrive in education and in life. Ultimately, at the Turner Free School, we want every child to follow any dream, be able to achieve any goal and to be anything that they want to be!

In order to achieve this, we aim for all students to complete the EBACC and to aspire towards university or professional employment. Moreover, we are looking for candidates who are passionate about our students becoming: confident and engaged readers; able to speak an additional working language beyond Standard English (ideally French or Mandarin); and know how to develop tolerant and respectful citizens.

At the Turner Free School, we will create a strong community, which will be underpinned by excellent, courteous relationships between staff, students, parents and the local area. In addition, we will operate a system of Family Dining, which will be packed-lunch free. All staff will dine with students to build relationships, ensure social inclusion and develop confidence in trying new foods. This will ensure that all students are part of our community and that they can develop fluency in conversation, impeccable manners and the ability to show appreciation for those around them.

We welcome applications from excellent Maths teachers, with a passion for delivering challenging, inspiring and knowledge-rich lessons for all. We are looking for reflective practitioners, who are willing to work collaboratively, and who will go the extra mile to ensure success for our students.

As a founding member of the school, you will play a key role in establishing our curriculum, expectations and ethos, and will have significant ownership over the delivery of your subject area. We are dedicated to continuous professional development in all areas, and will ensure that you receive high quality and effective training in order to support you in your role.

**Join our mission #seachange.**

If you are interested in joining Team Turner please contact us at: [info@turnerfreeschool.org](mailto:info@turnerfreeschool.org)

For further information, please visit our website: [www.turnerfreeschool.org](http://www.turnerfreeschool.org)

**Salary: On the MPS/UPS scales**

**Closing Date for Applications: Wednesday 21<sup>st</sup> March 2018.**

The Turner Free School is part of Turner Schools, which is committed to giving a powerful education to local families through schools where children thrive and knowledge matters. Turner Schools is committed to safeguarding children and promoting their welfare. It expects all staff and volunteers to share this commitment. Any appointment is subject to an enhanced Disclosure and Barring Service (DBS) check, including checks against the barred list. Two references are required prior to commencement of employment. We are an equal opportunities employer.
