

November 2019

Dear Parent/Carer

Visits in the Local Area and Travel in the School Minibus

From time to time throughout the year and as part of the curriculum, we like to take the children out of the school premises on visits in and around the local area. This will give the children the opportunity to learn from their local environment first-hand. These visits are predominately walking trips. However, there may be occasions where we would like to transport your child using a school minibus. Examples of visits are:

- to the local supermarket as part of work on healthy eating
- to the library or book store
- to church for a carol service
- to the Leas Cliff Hall
- carrying out geography or history fieldwork in the local area.

To simplify the process of seeking permission for such visits, we would ask you to sign and complete the form below which will enable your child to be included on such visits. You will always be notified in writing of any visits several days in advance of any trip. In accordance with the usual practice, a risk assessment will be completed for visits. If at any time you change your mind about giving permission, or would like to withdraw your child from a specific trip (for cultural reasons), we would ask you to inform the school in writing.

Please return the completed form as soon as possible. This form will be used for the duration of your child's time at Turner Free School. Your co-operation in this matter is appreciated and we will hopefully save a few trees in the process!

Yours faithfully

Mr M Chapman
Vice Principal
