

Year 7 Home Learning Pack

Instructions and Contents

This pack contains work your teachers have provided to support your learning. Your folder contains booklets and worksheets for you to complete along with suggestions below of work you can do - both online and offline. Use the suggested daily timetable to help structure your day. Complete work either in the booklets or worksheets if there are spaces for you to do so. All other work is to be completed in the exercise book in your folder. Make sure you date your work and ensure your presentation is neat, with titles and dates underlined.
