

July 2020

Dear Parents/Carers

School Meal Price Increase

I am writing to inform you that, after careful consideration, there will be a 10p increase to the school meal charge from 1st September 2020.

The price increase means that meals will rise from £2.20 to £2.30 per day for a main meal and dessert. We have managed to keep the costs of meals the same since 2013, but unfortunately the increased cost of ingredients and staffing have forced us to re-evaluate.

This charge will not affect those entitled to free school meals. To check if you are entitled to claim for free school meals for your child, please complete the online form via <https://www.cloudforedu.org.uk/ofsm/link2ict/>.

As a cashless school we use ParentPay for you to pay for meals, snacks and school activities. Please ensure that your child's account is kept in credit for school lunches. It is essential to activate your ParentPay account as we also use this as a communication tool for trips and events. Please contact student.finance@turnerschools.com for your ParentPay activation details.

If you have any questions please do not hesitate to contact the school.

Yours sincerely

Mrs K Yates
Principal
