

Dear Parent/Carer

Whilst your child is self-isolating, and is not unwell, it is important that they continue to engage with their education. To support this, your child's teachers have uploaded the lesson materials for their lessons each week for your child to work through whilst they are at home.

Scholars must log on to their Google Classroom and follow their usual school timetable. They will need to look at the class work for the week and attempt at least four subjects from their timetable per day. To complete their lessons, scholars need to read the lesson materials and complete any questions, tasks or worksheets they have been set. Scholars complete all of their work by either filling in the worksheets or creating a new document where they record their notes and answers. Once finished, scholars click 'hand in' to submit their work.

Whilst self-isolating, scholars should also follow their usual homework schedule. Scholars' homework includes:

- Bedrock Vocabulary
- Educake
- Complete Maths
- Quizlet

Each piece of work is expected to take no more than 30 minutes.

Scholars have been shown how to use Google Classroom and their accounts and passwords have been shared with both scholars and parents/carers via email.

If your child requires a password reminder, please email your request to passwordreset@turnerschools.com. For any other enquiries related to home learning, please contact your child's pastoral leader.

Kind regards

A handwritten signature in black ink, appearing to read 'Claire Hill', with a long, sweeping flourish extending to the right.

Claire Hill
Trust Vice Principal
